If you have any questions about the app, simply email **support@pikmykid.com**, and be sure to include the name of your child's school, and the child's name – as well as outlining any questions.

Once Registration is complete, you will be able to log in and see the school's name listed (your child(ren) listed below). If you are a parent/guardian and see a blank screen it is likely that the school did not have your mobile number on file. Simply email **support@pikmykid.com** with your child(ren)'s school, name, and grade -- listing blank home screen as the issue. If you are not a parent or guardian and see a blank screen, this is because no one has assigned you to pick up their child for the day and is normal.
