

## HS Girls Volleyball Parent Info

Congratulations to your student for being selected as a member of our 2018 volleyball team! Along with Coach Grafmeier, Coach Edwards, and Coach Gentz, we are excited for a great season!

I have attached a copy of our game and practice schedule for the remainder of the season. Please read the schedule thoroughly, as our practice and game times vary. On certain days, our practices will begin right after school at 4:00. Other days, practice will begin at 4:30. On the days that we have a later start time, we will have a required study hall from 3:50-4:15. This will allow any students who need it to attend Support with their classroom teachers. If your student will be meeting with one of their teachers during our study hall, they will need to tell me in advance via email or text AND ask their teacher to email me confirming that they did indeed meet with that student after school on that day. If your student does not attend, or is late to our study hall, they will not be eligible to play in the following game. In addition, if your student misses practice they will not participate in our following match.

I will frequently be using the Remind app throughout the season to keep you all updated with any important news. I have attached an information sheet on how to use Remind or please visit this link: <https://www.remind.com/join/7f8fg8> If your student is not going to be at practice and/or a game, please send me an email [sweir@augprep.org](mailto:sweir@augprep.org) or a text (414)315-9804 to let me know.

In an effort to help your child be the best Student-Athlete possible, please review Augustine Prep's Athletic Code. This will give you all the information you will need in regards to eligibility and our Code of Conduct. <http://www.augprep.org/athletic-code/> As Student-Athletes, it is your student's responsibility to act as a positive role model to their peers. That being said, if your student receives any disciplinary action with their classroom teacher/s, their athletic eligibility will be negatively affected. This can include, but is not limited to, attendance, grades, or behavioral incidents.

As always, if you have any questions or concerns, please reach out to me and I will be happy to help!
